

*Our Father, Dear Lord Jesus in Heaven, we come before You, right now on behalf of this one that You love dearly.*

*With your Godly hand of love and impeccable grace, bring this one into your family. Let him know he must confess his sins and be Godly sorrowful, allowing You to enter into his heart and follow You through Your Mighty Word, the Holy Bible.*

*Through Your Spirit, may this one 's life become a testimony of Your loyalty, mercy, and divine love.*

*We thank you that You have heard our prayer. In Your Blessed Name, A-Men and A-men.*
